

KIDStory

*Impacting kids through
God's transforming hope
by the telling of His Story
and the working of His Spirit*

Basic KIDStory workshops are offered internationally and throughout the United States. At these workshops every participant can expect to learn:

- Teaching skills that bring the stories of the Bible to life
- Fun, interactive ways to hear, learn and retell God's Word to include: games, music, storyboards, art & drama
- Proven ways to facilitate discussions that provide a place where the Holy Spirit can penetrate their hearts rather than children giving pat, predictable answers
- How to create learning environments where children become eye witnesses to God's redemptive story instead of just distant observers

So much more than simply *storytelling*...

KIDStory relies on Jesus' method of teaching through telling stories combined with interactive experiences and meaningful discussions. The skills are *fun* to learn, use, and share with others. This makes the *reproducing* effect of KIDStory all the more powerful and is the reason we partner both locally and globally.

Whether you are in kids or youth ministry, the leader of a small group, preparing for an overseas mission trip, running a local VBS, or simply a mom, dad or grandparent; you will find this approach to learning equally refreshing and valuable as you equip yourself, or your staff, with proven tools for sharing God's Word effectively

Telling God's story is not enough...it is also about listening. *Listening to the Spirit* and listening to a child reveal how the Spirit is stirring their heart.

The methods used to tell and retell God's story are coupled with engaging questions that allow the Holy Spirit to operate in the hearts of kids.

This strategy capitalizes on what the children have heard and learned so that it becomes a self-discovery process, bringing about true *life change*. The questions posed by leaders are not just for retention, but for transformation of the heart and mind, leading to real life application. This gives leaders the chance to follow up on the things that the Holy Spirit is teaching and revealing.

KIDStory is a program of:
kids around the world
