

## Workshop Response

In regards to the KIDStory workshop, what impacted you the most?

What is God wanting you to do with what you have learned?

When you implement what you learned in the environments you are currently serving in, this is the start of a StoryClub. Where are those environments now and are there places where God wants you to reach out to more children?

If you would like to partner with us and be part of a network of other Christ followers who are reaching and discipling children, please complete the following:
